Free Cab Rides Home for Cinco de Mayo

McDivitt Law Firm to Offer “Safe and Sober Free Ride Home” in Colorado Springs

COLORADO SPRINGS, Co., April 28, 2009—Following the success of its New Year’s Eve and St. Patrick’s Day programs, McDivitt Law Firm is expanding its Safe and Sober Free Ride Home program to include Cinco de Mayo. The law firm is again partnering with Yellow Cab of Colorado Springs to provide free transportation to those who can’t drive or feel they don’t have a safe way home. **The Safe and Sober Free Cab Ride Home program will be available in Colorado Springs from 7 p.m. on Tuesday, May 5, through 3 a.m. on Wednesday, May 6, 2009.**

To request a free cab ride home within Colorado Springs city limits, call Yellow Cab of Colorado Springs at (719) 777-7777 and tell them the ride is on McDivitt Law Firm.

Rides are provided to an individual’s residence—not to other drinking locations. Due to the high number of ride requests on Cinco de Mayo, rides cannot be guaranteed for everyone who calls; however, every attempt will be made to accommodate all requests.

“We’ve had a huge success with Safe and Sober, and we wanted to extend the program during another popular holiday. The safe rides home are meant to protect not only those who are celebrating but others on the road as well.”

Cinco de Mayo Safety Tips

Widely perceived as Mexico's Independence Day, Cinco de Mayo is actually the anniversary of when 4,000 Mexican soldiers forced the French out of Puebla, Mexico, in 1862. Over the years, Cinco de Mayo has grown into a celebration throughout the United States and has become synonymous with cultural festivities as well as partaking in alcoholic beverages. If you plan to celebrate Cinco de Mayo, remember to:

- Always have a designated driver if alcoholic beverages are being served.
- Provide nonalcoholic beverage choices if you are hosting a party.
- Plan the day in advance and decide on your transportation alternative before going out.

About Safe and Sober

All too often, the professionals at McDivitt Law Firm work with clients who have suffered after losing a loved one in an alcohol-related automobile crash. To assist in the fight against drunk driving, McDivitt Law Firm encourages individuals to make responsible choices by providing a safe transportation alternative during many of the traditionally high alcohol consumption holidays. The program is available during St. Patrick's Day, Cinco de Mayo, Halloween, and New Year's Eve.

McDivitt Law Firm has provided more than 1,800 safe rides home since its first Safe and Sober program on New Year's Eve 2007.
