McDivitt Law Firm has always been on the cutting edge of using technology to offer premier service to its clients. Dr. Karen McDivitt has overseen the technology aspects of the firm since its inception. In fact, as early as 1992, before databases were readily available to personal injury and workers' compensation firms, Dr. McDivitt custom-designed an extensive database to handle every aspect of the client's case.

Dr. McDivitt also has a background in real estate development, and she has overseen the purchase and remodeling of McDivitt Law Firm's existing office buildings. Along with all financial facets of the business, she oversees the computer data entry of client information in order to ensure accuracy and fairness in the handling of client cases and is the firm's marketing director.

Dr. McDivitt received her B.A. and M.A. degrees from the University of Colorado at Boulder. She received her Ph.D in psychology from the University of Denver.
